

# RULES

## **GAME TITLE: I SENTENCE YOU!**

**OBJECT:** Form sentences with word cards. The winner is the first player to play all of their assigned cards.

**AGE:** 14 & up

**NUMBER OF PLAYERS:** 2-10

**GAMES:** There are two games you can play, FAST or FIVE-SECONDS.

1. **FAST GAME:** In this game, once the first card is played every player will play their cards as fast as possible to form a sentence. The first player to play all of their cards is the winner.

2. **FIVE-SECONDS GAME:** In this game each player will take turns playing. Pick the first player to play and (moving in a clockwise direction) each player will have 5 seconds to play as many cards as they can. The first player to play all of their cards is the winner.

### **PLAY OF THE GAME:**

1. Sentences must comprise of 2 or more words.
2. Words at the beginning of a sentence are presumed to be upper case.
3. Players can only use one side of the card at any given time.
4. All sentences are formed off a single word string and not individual players' word string.
5. Verbally call punctuations such as "Period (.)"; "Comma (,)"; "Question mark (?)".
6. The player that calls a punctuation gets to play the next card before anyone else can play.
7. The player who plays a RED CARD gets to play a second card before anyone else can play.

### **STEPS:**

1. Divide the deck equally amongst all players.
2. Any player can place the first card.
3. Once the first card is placed all players race to place their cards as fast as possible.
4. All succeeding cards must sync with the previously played cards to form sentences.
5. Decide disputes with a majority vote.
6. If the construction of a sentence cannot be completed all players will take their cards back from the incomplete sentence and try again.
7. The first player to successfully play all of their cards is the winner and says to the others "I SENTENCE YOU!".
